

Revell
H-O electric trains

GET BEHIND THE THROTTLE ON THE PROFIT LINE FOR 1960

*REVELL Brings You
the Easiest-to-Sell Line in H-O Today!*

HERE'S WHY:

- *The same fast moving sets you handled in '59 — no worries about obsolete sets or write-downs.*
- *The most complete selection of accessories & trackside buildings you and your customers can find anywhere.*
- *More quality and value per item than any other line.*
- *Trouble-free motors; gear drive; all locos have working headlights.*
- *Revell's world-famous, trusted name.*

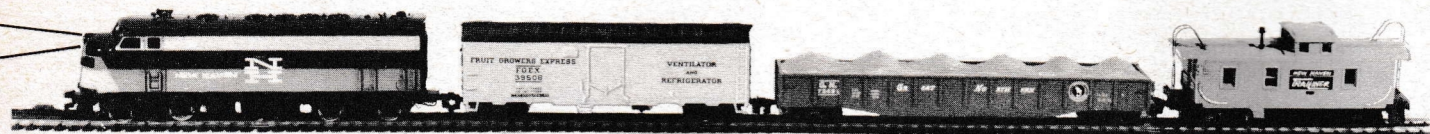

Look inside for 75 sure-fire ways to profit
